The Institutional Review Board (IRB) is responsible for overseeing the conduct of human subjects research by UI and VA researchers. All projects that meet the definition of human subjects research must have IRB approval prior to conducting any research activity. Human Subjects Office staff are available three days a week to answer questions, provide assistance with electronic IRB applications (in HawkIRB) and to discuss study proposals prior to submission. All researchers are welcome to attend. No appointment is necessary.

**Institutional Review Board (IRB) Office Hours**

- **Mondays 2:00 pm -4:00 pm**
  304 Lindquist Center

- **Wednesdays 2:00 pm-4:00 pm**
