The Institutional Review Board (IRB) oversees the conduct of human subjects research by UI and VA researchers. All projects that meet the definition of human subjects research must have IRB approval prior to conducting any research activity. Human Subjects Office staff hold open office hours to answer questions, provide assistance with electronic IRB applications (in HawkIRB) and to discuss study proposals prior to submission. All researchers are welcome to attend. No appointment is necessary.

Mondays 2:00 pm - 4:00 pm
S108 Lindquist Center

Wednesdays 2:00 pm - 4:00 pm
101 Hardin Library

Thursdays 10:00 am - 12:00 pm
101 Hardin Library
