OHRP is pleased to invite you to the next webinar in a continuing series designed to address critical issues of importance to everyone involved in the protection of human research subjects:

“When PIs come a 'Knockin': Everything Investigators Want to Know but are Afraid to Ask”

Presenter: Michelle Feige, MSW – Division of Education and Development

This presentation by the Division of Education and Development will inform PIs about their obligations under the HHS regulations at 45 CFR part 46 when conducting research with human subjects.

REGISTER NOW- Space is limited!

To Register: Paste this address into your web browser to go to the registration page at:

https://www2.gotomeeting.com/register/234176170

After registering you will receive a confirmation email containing information about joining the Webinar.
